Dr. Man B K — Opportunities
with Madhesh University in
Nepal and Green Growth
Course

The first meeting of RCE (Regional Centre of Expertise) for education for sustainable development was held on 17th March 2023 at the UNESCO Nepal office. Dr. Man Bk, the president of the Academy attended the meeting and briefed the initiation for Green Growth and Native Science learning in collaboration with the Akamai University. The Academy is the founding member of the Centre. The participants were very

excited about these programs and showed interest for the further collaborations. The Vice Chancellor of Madhesh University, Prof. Dr. Deepak Shakya and academic officials from Kathmandu University also participated in the meeting and showed their affirmed interest in mainstreaming culture and heritage teaching in higher education.

AU and the Native Academy are independent entities contracting with each other solely for the purpose of carrying out the terms of our Memorandum Of Understanding (MOU). Each is responsible to meet standards of education and ethical arrangements of their organizations and countries. Each is responsible independently for any and all negotiations that may arise regarding their activities as defined in our MOU and compatible to their country requirements.
