

AKAMAI UNIVERSITY

Institute for CAM Studies

A Certificate Program in Integrative Health: NDE - AFTER EFFECTS – RAH

Near Death Experience (NDE) - AFTER EFFECTS - (RAH) Recovery and Healing

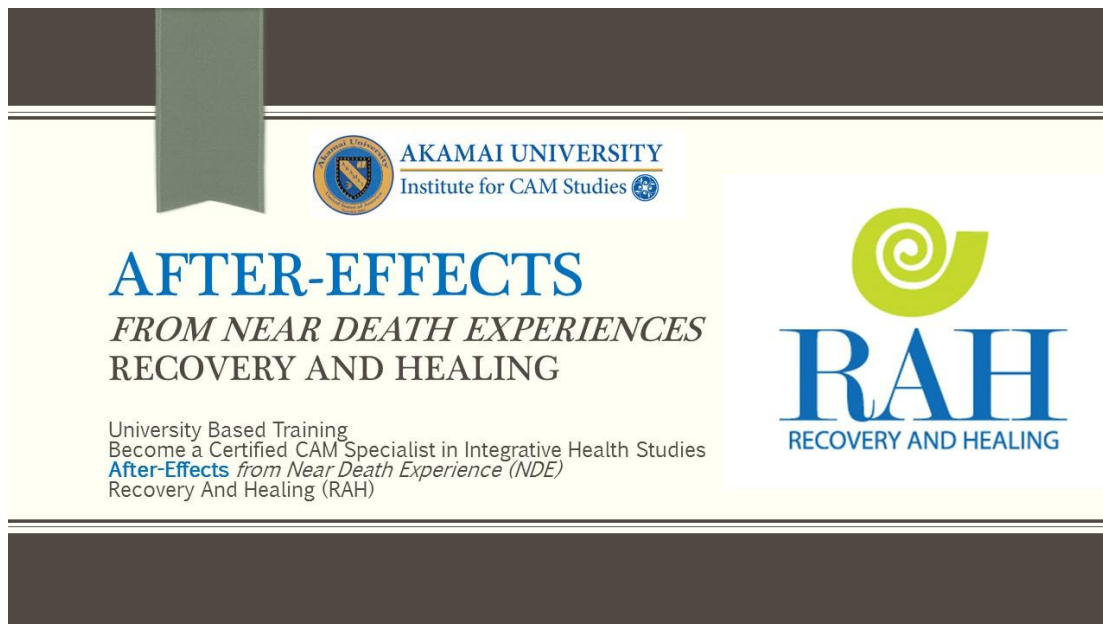

Offered through Energy Medicine Partnerships

Affiliated with Akamai University - Division of Continuing Education

www.cam.institute / www.NDE-aftereffects-RAH info@nde-aftereffects-rah.com

Background: Near Death Experiencers often have trouble integrating their near-death experience and may require support and help to recover and heal in body, emotion, mind and spirit. Family members and health care professionals are generally ill-equipped to deal with the “unusual” after effects experienced. To address this growing problem, this University Based Certificate Program in integrative health was designed.

Goal: This worldwide training program prepares CAM Specialists in Integrative Health with a specialty in NDE - AFTER EFFECTS – RAH using an integrative approach to learn how to serve NDE’ers, their families, friends, and support health professionals to understand and help those affected by an NDE.

The banner features a dark grey top bar with a green ribbon on the left. Below is a white background with a thin blue line. On the left, the Akamai University logo is followed by the text 'AKAMAI UNIVERSITY' and 'Institute for CAM Studies'. The main title 'AFTER-EFFECTS FROM NEAR DEATH EXPERIENCES RECOVERY AND HEALING' is in blue and black. Below it, smaller text reads: 'University Based Training', 'Become a Certified CAM Specialist in Integrative Health Studies', 'After-Effects from Near Death Experience (NDE)', and 'Recovery And Healing (RAH)'. On the right, the 'RAH RECOVERY AND HEALING' logo is displayed, featuring a green spiral above the letters 'RAH'.

Certificate Program in Integrative Health

NDE – AFTER EFFECTS – RAH

Revised July 2017

Eligible Participants for the Training: The training is open to anyone desiring to become a Certified Specialist in Recovery And Healing (RAH) After Effects of Near Death Experiences (NDE). This program includes being: willing to undertake the in-depth study; commit to high standards of practice; operating under a Code of Ethics; receive on-going mentorship and supervision as needed both in the training; maintain competency and update as needed. This is an on-going growing field. Health care professionals are encouraged to apply as well as energy practitioners and NDE'ers. This training is foundational for those who desire to be practitioners and / or teachers of this training, mentors and supervisors. A portfolio assessment is acceptable to waive training requirement and for accepting transfer in credit for previous expertise.

Specialist operates under a Code of Ethics, Standards of Practice, with Certification through Akamai University

Guiding Principles:

- ✓ Let Go and Let God
- ✓ Spiritual Healing Heals
- ✓ Be Present
- ✓ Be Quiet to hear Inner Wisdom

Protocol for Near Death Experience (NDE) After Effects (RAH)

www.nde-aftereffects-rah.com / info@nde-aftereffects-rah.com

The Healing Journey for NDE is not a linear path but a dynamic lived experience unique to the individuals involved. Therefore, the interventions for body, emotion, mind and spirit need to be individualized to those involved using a template that is outlined below to guide the healing team. Training for supporting NDE journey is offered by CAM Specialists trained in the protocol designed by Dr. Mary Jo Bulbrook & Yvonne Sneed with help from their colleagues connected to NDE. The healing protocol is done in phases or steps and includes: Telling the Story, Living with the after effects and evaluation of the Healing Journey. Take as much time as needed for each phase as the healing process occurs in steps as each phase is completed.

Treatment Affirmations:

- I call on Source, God, Creator, a Higher Power to fill me with Divine Light and Love.
- I choose to be present in life with my family, friends, work, recreation, animals and nature.
- I am a Divine Child of Source and a Being of Light for the world.

Phase I – Telling the Story

- The Event Story
Date of Event _____
 - What happened to me was...my body...
 - My feelings about this experience at the time were...
 - My thoughts became...
 - My heart was...
 - I wanted to say...
 - My visions for myself at the time were...
 - Spiritually I was...
- Historical Experiences or After Effects of the Near Death Experience
Time Span of Historical Report (such as 6 months or 6 years)_____

Certificate Program in Integrative Health

NDE – AFTER EFFECTS – RAH

Revised July 2017

- Describe what has been your experience over time since the near-death experience...
 - Include what your feeling and thoughts were...
 - How have your relationships been affected...
 - What have others said about you and how has that affected you...
 - Describe your ideas of your future...
 - Spiritually have you been affected ...
- Today's Level of Functioning
Date: _____
Take time to reflect and comment how you are now doing:
 - Physically
 - Emotionally
 - Mentally
 - Spiritually
 - What is your biggest concern today...
 - What would you like to have happen in your live now...
 - Is there any specific request you have needing assistance with...

Phase II – Healing the After Effects

- Journeying with the person and / or their family members – Establishing the relationship
- Empowering to clear and heal body, emotion, mind and spirit
 - Central Power Current Clearing & Alignment
 - Energy Field Drain & Replenishment
 - Energy Centers Clearing & Balancing
 - Energy Tracts Vitalized & Return to Functioning
- Reconnecting to self, family and friends in this dimension

Phase III – Evaluation of the Healing Journey

- Conduct post treatment assessment of the effect of treatment
- Maintain contact with clients to support them as need may arise for additional care that may be referred to another specialist or appropriate persons
- Check in with clients to ascertain how they are doing at least weekly in the beginning and then determine an appropriate schedule for individual clients
- Maintain contact with CAM Specialist colleagues, mentors and supervisors as needed
- Promote findings using single-subject design strategies or professional attendance at events and conferences related to NDE
